IMAGINE A WORLD WITHOUT VIOLENCE

The YWCA-SGV WINGS ROUND ROBIN TENNIS TOURNAMENT Committee is proud to be celebrating 38 years of serving women and children. At the 39th Annual Tennis Classic we will be hosting old and new friends on May 4, 2012, at The Claremont Club, Claremont. Our success in raising funds for the WINGS Domestic Violence program for battered women and their children continues with the help of people like you.

We ask that you join our efforts by donating monitarily or items for our silent auction which brings in a major part of the \$50,000 to \$60,000 we raise each year.

In the last 38 years the WINGS' committee has raised over \$2,580,000 for the charity. **95% of every dollar goes to the WINGS shelter.**

The following are just a few quotes from some that have been in the YWCA program. "Wings gave me and my daughter the opportunity to escape the violence"; "I was living in fear and had little in the way of job skills, no friends and no family." "During my time with WINGS, I got counseling, legal support and learned how to search for a job. I was given transportation and learned how to access all of the tools available to be successful on my own." "Our blessed life would not have been possible without YWCA-WINGS."

Any value you honor us with will be quickly applied to eliminate the pain of hurting children and their mothers who are ready to change their lives. On their behalf, we thank you for consideration of this important sponsorship.

Sincerely,

Theresa Goodheart
