To benefit the  
YWCA Wings Women In Need  
Growing Strong  
a shelter for battered women  
and their children.

January 17, 2010

IMAGINE A WORLD WITH OUT VIOLENCE

The YWCA-SGV WINGS ROUND ROBIN TENNIS TOURNAMENT Committee is proud to be celebrating 36 years of serving women and children. We will be hosting old and new friends on May 7, 2010, at The Claremont Club, Claremont. Our success in raising funds for the WINGS Domestic Violence program for battered women and their children continues with the help of people like you.

We ask that you join our efforts by donating monitarily or items for our silent auction which brings in a major part of the \$50,000 to \$60,000 we raise each year.

In the last 36 years the WINGS' committee has raised over \$2,455,000 for the charity. **95% of every dollar goes to the WINGS shelter.**

The following are just a few quotes from some that have been in the YWCA program. "Wings gave me and my daughter the opportunity to escape the violence"; "At Wings I hear my children laughing again – we found the courage & determination to make a life free of fear"; "It's been four years since I went to Wings in fear – I have since finished college & made a life for my little girl"; "I now work in a medical facility"; "We live in a house with a garden – I teach dance & yoga to children"; "Our blessed life would not have been possible without YWCA-WINGS."

Any value you honor us with will be quickly applied to eliminate the pain of hurting children and their mothers who are ready to change their lives. On their behalf, we thank you for consideration of this important sponsorship.

Sincerely,

*ANN BAKER*
