RACIAL AND SOCIAL JUSTICE (RSJ) TASKFORCE

YWCA-SGV's RSJ Taskforce actively strives to break down systemic obstacles, advocate for social justice, and encourage dialogue that drives meaningful transformation in communities impacted by discrimination and social inequities.

AFRICAN AMERICAN INFANT MATERNAL MORTALITY PREVENTION INITIATIVE

As the backbone of the SGV AAIMM Prevention Initiative, we address the high rates of Black infant & maternal deaths throughout San Gabriel Valley. This collaboration further advances our agency's mission to provide equal access for all.

ADVOCACY AND COMMUNITY ENGAGEMENT

YWCA-SGV actively collaborates with community leaders, organizations, and policymakers to foster community engagement and drive policy reforms that tackle social inequities at the local, regional, and national levels.

INTERSECTIONALITY AND INCLUSIVITY

Our agency recognizes the intersectionality of various forms of discrimination and oppression to ensure that efforts to achieve racial and social justice are inclusive and accessible to all San Gabriel Valley residents and beyond.

"This initiative embraces intersectionality and has truly transformed my perspective. I am grateful to the YWCA-SGV for their commitment to racial and social justice, and I encourage everyone to join this inspiring movement."
